**“Business Subsidy Policy and Criteria”**

passed

on October 18, 2004

**RESOLVED** by the City Council of the *City of Clarissa* that it shall adopt the following **Business Subsidy Policy and Criteria**:

**Preamble.** Whenever the *City of Clarissa* invests public funds or agrees to voluntarily forfeit tax or other revenue that benefit private development projects, those projects should create FTE jobs that pay a living wage for the residents of Clarissa and the surrounding region. *City* policy makers and economic development agents must keep the critical need for living wage FTE jobs the priority whenever public dollars are invested in a private business or development project.

**Business Subsidy Public Purpose.** The public purposes of this policy shall be to accomplish the following on behalf of the *City of Clarissa*:

1. Enhance economic growth in this area
2. Create high quality job growth in this area
3. Retain high quality jobs in this area
4. Stabilize the community

This policy is adopted in compliance with M.S. § 116J.994 Subd. 2. A copy of the policy shall be submitted to the Department of Employment and Economic Development along with the first annual Business Subsidy report.

**Principles of Business Subsidy Implementation.** The *City* shall target its business subsidy assistance to businesses that demonstrate a clear and ongoing commitment to the community by providing living wage jobs to their employees and to *City* residents, where applicable, by giving priority to those businesses over businesses that have not traditionally paid living wages.

The *City* shall focus its business subsidy assistance only to businesses which agree to comply with annual business subsidy reporting requirements as required by Job Opportunity Building Zone (JOBZ) statute M.S. §§ 469.310 - 469.320; and/or as required by the Business Subsidy statute M.S. §§ 116J.993 - 116J.995.

All other things being equal and to the extent legally possible, the *City* shall give preferential treatment for business subsidies to business that engage in responsible labor relations defined as neutrality on union organizing.

Although the primary purpose of this policy is the creation of living wage jobs, we cannot achieve our economic development goals without a trained and ready workforce and adequate childcare. The city shall commit to assist businesses to obtain trained and work-ready employees through the DEED Workforce Development Centers; MNSCU and other services; and to facilitate access to childcare.
